

# Challenge yourself through service.

## HELP SAVE LIVES.

## JOIN US.

The mission of the Federal Motor Carrier Safety Administration (FMCSA) is to prevent crashes, injuries and fatalities involving large trucks and buses. If you want to make a difference and save lives, we want you to join us.

### Safety is not simple - it's our passion.

Meeting our safety mission requires effective policies and rules. But they are only as good as the dedicated people who enforce them. All of our work is geared to helping drivers, truck and bus companies, and the public share the roads safely so that people and goods all arrive at their destination safe and sound.

You can become an integral part our safety mission. FMCSA offers a variety of opportunities for career advancement in one of our many field locations or at our U.S. Department of Transportation headquarters in Washington, D.C.

### Advantages of Working at the Federal Motor Carrier Safety Administration

- World-renowned leader in transportation safety
- Cutting-edge technology and transportation initiatives
- Creative, innovative, talented, and diverse workforce
- Competitive employee benefits and service
- Flexible work schedules/telework
- Opportunity for personal and professional growth

## Are You a Student or Recent Graduate?

Begin an exciting position at FMCSA. With training and mentorship – you will be on your way to a dynamic career.

The Pathways Recent Graduate Program opens doors to careers in the Federal government and offers growth experiences with the possibility for career appointment to civil service employment.

### Eligibility Requirements

Recent graduates who have completed, within the previous two years, a qualifying degree or certificate from a qualifying educational institution.

Veterans unable to apply within two years of receiving their degree, due to military service obligation, may apply within two years of discharge or six years from the receipt of the degree, whichever comes first.

*The Federal government is an Equal Opportunity Employer. Hiring and advancement in the Federal government are based on qualifications and job performance.*

*All qualified candidates will be considered for employment regardless of race, color, religion, national origin, sex, sexual orientation, or any other non-merit factors.*

Announcements for the *Pathways* program have specific requirements for education and will be posted on USAJOBS.GOV.

### Next Steps

- Visit the USAJOBS Students and Recent Graduates page at <https://www.usajobs.gov/studentsandgrads> for video tutorials and other tools to start your job search.
- Search for current recent graduate opportunities on [www.usajobs.gov](http://www.usajobs.gov).
- Create a government resume and upload to USAJOBS.gov. **Note:** these are different than the traditional resume for the private sector. For Federal resume writing tips, try searching for "sample resume for Federal government job" on the Internet.
